We are a Nation of Immigrants

Why March?

March for Democracy

For the 12 million people that work, pay taxes and are members of our communities.

March for Families

For the 5 million families that have tried, and continue to try, to bring their families together in the US.

March for American Workers

For the exploited workers who work hard, for unfair wages, and still live in poverty.

March for Justice

For those denied fair due process and protections.

March for America

For all of the families, workers, businesses and communities that once made us the "land of opportunity".

We remain a young nation, but in the words of Scripture, the time has come to set aside childish things. The time has come to reaffirm our enduring spirit; to choose our better history; to carry forward that precious gift, that noble idea, passed on from generation to generation: the God-given promise that all are equal, all are free, and all deserve a chance to pursue their full measure of happiness.

- President Barack Obama, from inaugural address
