a talk by **David Bacon**

Monday April 19th 7:00 PM

@ The North Star Music Café

225 Congress St. Portland

Join us for an evening with renowned photojournalist, author, and labor organizer, David Bacon.

David will talk about how "the development of illegal status can be traced back to slavery and what the human costs are of treating the indispensable labor of millions of migrants-and the migrants themselves-as illegal." In his book David makes a "case for a sea change in the way we think, debate, and legislate around issues of migration and globalization."

David spent twenty years as a union organizer, and is the author of a number of books, most recently, *Illegal People*. His work has appeared in TruthOut, The Nation, The American Prospect, The Progressive, the San Francisco Chronicle, and other publications.
